

**MASSACHUSETTS BUTTERFLY CLUB
CHAPTER OF THE NORTH AMERICAN BUTTERFLY ASSOCIATION
2023 SCHEDULE OF FIELD TRIPS AND EVENTS**

Check back as trips may be added throughout the season.

Attending a trip? Please contact the leader to let them know to expect you. In case of inclement weather, contact the leader to find out about postponement or rain date. Everyone is welcome, whether you're new to butterflying or an old hand!

Tips for an enjoyable experience: Suggested materials include binoculars, sunscreen, water, hat, insect repellent, any allergy medicines, and a camera. Wear comfortable clothing and sturdy walking shoes. You may also want field guides, a hand lens, pen/pencil & pad for recording, and snacks and/or lunch.

Club Guidelines for Field Trips and Events:

- Butterflies will be enjoyed without netting them.
- Take care when exploring not to trample butterfly habitat, particularly host and nectar plants critical to caterpillar and butterfly feeding.
- Be courteous to fellow participants. Allow everyone to see the butterfly before moving in to take pictures.
- Respect property guidelines, e.g. one-way trails, parking limitations, etc.
- No dogs, service animals excepted.

Leaders:

- Trips are held at the discretion of the leader. If for any reason a leader isn't comfortable and an alternate leader isn't found, the trip can be cancelled.
- Leaders are responsible for knowing and following the property guidelines of the field site. These may include one-way trails, parking limitations, etc.

Participants:

- Contact the trip leader at least one day before to let them know you will be participating.
- Participants are welcome to mask if they prefer.
- Please attempt to socially distance of 6+ feet and take turns to photograph butterflies.
